1600 Aluminum ATV Trailer

Tremendous Value:

- Independent suspension
- 25" tires
- Power brakes (brake controller included)
- All aluminum body
- Powder coated steel frame
- Hinged lid with gas shock
- Cargo rack
- Fuel can holder

Get to those special out-of-the-way places with all your gear. It is the ultimate recreational ATV trailer!

The lightweight aluminum body, weather sealed lid and locking latches protect your gear while keeping the water, dust, and mud out. With 45 cubic feet of cargo space, a cargo rack, plus a gas can holder, you can go anywhere you want. Heck, you can easily place man's best friend on the lid and use it as a dog trailer. Big game, waterfowl decoys, or camping gear-- you name it, this huge trailer can store it.

The full independent suspension and huge 25" tires make navigating rough terrain easy and safe. A heavy duty powder coated steel frame combines with a 1/8" thick TIG-welded aluminum body to provide outstanding durability with easy towing. Plus with the electric brakes you'll have all the needed stopping power for almost any load and condition.*

"... this is one of the best built, most rugged ATV trailers we have ever seen or used."
