

**We just made the best...even BETTER!**

Based on the rugged 800 Utility, the new 800UT-X is the industry's first auto dump assist trailer featuring a slam latch bed system for easy use, ergonomic soft-touch handlebar, and a gas cylinder to lend a helping hand. Simply pull the latch pin and the bed dumps with a safe, controlled motion. We call it the Strong Arm Dump System, you will call it "the end of my back aches".

This affordable trailer allows you to get your weekends back and lay off the pain pills. Loaded with features such as: torsion bar axle suspension, high ground clearance, huge 25" tires, brake/tail light for extra safety, and a 14 gauge steel, powder coated body. You will love the double hinged tailgate with quick release for all your garden, farm, or ranch needs. Great for tractor owners or as a utility vehicle trailer. The dependable 800 UT-X pull behind ATV trailer has features found no where else. Discover the value of owning an ATV Wagon trailer today!
